PROP 98 Deceptive Measure Would Abolish Rent Control and OPPOSE
Harm Environmental Protection.

Californians deserve protection from eminent domain abuse, but Proposition 98 is a radical proposal that goes too far. Its extreme provisions would eliminate rent control and other renter protection laws; that is why wealthy apartment and mobile home park owners have contributed most of the money to qualify Proposition 98 for the ballot. In addition, Proposition 98 contains language that would make it difficult to protect the environment and regulate land use, growth and development. This hidden agenda would threaten water quality, hurt the environment, and thwart regulations that protect our neighborhoods.

PROP 99 Homeowners Protection Act. SUPPORT

This measure is a real eminent domain reform measure that will protect homeowners, without the hidden agendas and adverse consequences of Proposition 98. Proposition 99 will prohibit the government from using eminent domain to take a home to transfer to another private party. It is supported by a broad coalition of homeowners, business, labor, cities, counties and environmentalists.
